What we do, how we work?

How do we function?

- RAC meets virtually every 2nd week for one and a half hours.
- Members manage their own dedicated projects in between.
- We take our decisions unanimously.
- We use Google Drive, Dropbox, Basecamp and Zoom as our communication means.
- Projects are suggested by the twice yearly* EMEA Leaders Meeting and RAC reports back to ELM.
- We strive to become a high-performing body of ICF – our team coach, Ludmila Egorova has supported us to achieve it.

Mission

- To represent all the EMEA Chapters and their interests in the ICF community,
- To work as both the Institutional memory and the Voice of the region, and
- Act as a strategy level influencing body and bridge within the ICF community.

Vision

To have established an RAC that is valued by the EMEA Chapters,

- for being engaged on the core interests of the region
- by representing, facilitating and enabling them to their satisfaction,
- whilst having built an effective and productive relationship with ICF Global Board, other RACs and HQ staff.

Our values

Influence
Respect
Fun
Service
Professionalism
Contribution

Leadership
Results

Main Strategies

- Develop a greater focus on strategic thinking
- Encourage implementation and action at Chapter level
- Influencing ICF Global and advocating policies that impact EMEA
- Ensure a better use of existing resources
- Share information, knowledge and best practice within the region
- Align with and manage the expectations of both the ELM and ICF Global

ICF
International Coach Federation
